

Proyecto Freelancer:

Descripción:

Desarrollar una plataforma web en donde se administren y gestionen proyectos de desarrollo tecnológico, el sistema deberá tener una serie de módulos que administren las tareas, avances, presupuestos y equipos de trabajo.

Módulos:

Dashboard:

Indicadores, gráficas respecto a tickets de soporte, proyectos activos, facturas vencidas, pagos, total de usuario, etc.

Sistema de retiros (pagos):

Configuración de los métodos de retiro a recibir en cada uno de los proyectos.

Soporte técnico:

Módulo de apoyo para la generación de tickets por parte de los clientes y colaboradores de proyectos. Los tickets solo los pueden ver los participantes del proyecto correspondiente.

The screenshot displays two views of the Support module. On the left is a sidebar menu with various project management and support options. The 'Support' option is highlighted with a purple background and a red notification badge showing '3'. The main area shows a 'All Tickets List' table and a detailed view of ticket #DC26C994.

About Video Link: <https://www.youtube.com/watch?v=2kXbdlw0Nx4>

About Text

(Rich Text Editor toolbar)

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English. Many desktop publishing packages and web page editors now use Lorem Ipsum as their default model text, and a search for 'lorem ipsum' will uncover many web sites still in their infancy. Various versions have evolved over the years, sometimes by accident, sometimes on purpose (injected humour and the like). It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as
